UC Irvine/ UC Davis Train New Trainers (TNT)  
Primary Care Psychiatry (PCP) Fellowship

RECRUITING NOW FOR JANUARY 2021

The TNT PCP Fellowship is a year-long clinical education program for primary care-oriented trainees and providers who wish to receive advanced training in primary care psychiatry.

Who Benefits?
The program is designed for primary care providers working in Internal medicine, Family medicine, Emergency medicine, Pediatrics, or Neurology. Past fellows have included MD, DOs, PAs, NPs, and clinical pharmacists.

Curriculum
The curriculum includes over 50 hours of training and will lead to a certificate of completion from the UC Irvine Department of Psychiatry and Human Behavior:

• Two weekend teaching sessions (24-28 CME hours)
• One hour per month of mentoring sessions with a TNT fellowship faculty member/mentor (12 hours)
• Twice-per-month, live case-based discussions and patient interview with a focus on integrated primary care psychiatry–held on Mondays at either 12:00 or 5:15 p.m. (PST) via teleconference (20 CME hours)

Goals of TNT PCP Fellowship
Trainees will learn:
• How to complete an evidence-based & efficient psychiatric interview in the busy primary care/medical setting
• How to effectively diagnose and treat commonly encountered psychiatric conditions such as mood, anxiety, psychotic, and substance misuse disorders
• How to teach these principles to their primary care colleagues

This is not a traditional or Accreditation Council for Graduate Medical Education (ACGME) approved fellowship

2020 Tuition
• $15,500 per fellow OR applicants may be eligible for a full scholarship: upon acceptance to the TNT Program, a scholarship application will be sent with instructions for completion and submission for consideration by the California Office of Statewide Health Planning and Development (OSHPD).
