Re: Percentage Change in Gross Revenue 2017

Attached are the Chargemaster file and the listing of average charges for 25 Most Common OutPatient Procedures for Hemet Valley Medical Center, #106331194..

Please note that there were no rate increases for 2017 for Hemet Valley Medical Center. Therefore. The estimated percentage change in gross revenue due to price changes is Zero Percent.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "John R. Collins", is written over the typed name.
