

ELECTRONIC PLAN REVIEW NOW HERE!

OSHDP Facilities Development Division is excited to announce the deployment of a streamlined electronic plan submission process. Beginning **June 27, 2016** you may attach electronic documents to your plan review application for all **new** projects under \$500,000 and PAD's on existing projects. Benefits include:

- ✓ Real time monitoring of project status
- ✓ Digital plan stamping that allows approved plans to be downloaded and distributed with no printing required
- ✓ Access to standard comments that provide a higher level of consistency
- ✓ Concurrent reviews that are no longer limited by plan reviewer location
- ✓ Reduced plotting time, paper waste, and printing/shipping expenses
- ✓ Consolidated and transparent Corrections Reports

Plan Submittal Criteria

- Maximum 100 MB Plan File Size
- Flattened Drawing Layers
- Bookmarked Sheets
- PDF Format
- File Naming Convention
