**Testing, Inspection and Observation Program**

**2013 California Building Standards Code – OSHPD 1**

*This program is prepared and submitted for an OSHPD 1 project. OSHPD 1 projects include all construction and remodel projects for general acute-care hospitals and acute psychiatric hospitals. OSHPD 1 projects also include construction and remodel of skilled nursing facilities and/or intermediate care facilities except those of single-story, Type V, wood or light steel-frame construction.*

**Testing, Inspection and Observation Program**

**2013 California Building Standards Code – OSHPD 1**

**E** Samples of Test and Inspection Reports are: *(NOT required for tests performed by laboratories approved through OPL Program)*

- Attached
- To be provided following determination of the responsible firm(s) or individual(s). *Samples shall be submitted to and approved by the Office, prior to proceeding with the work that requires tests or special inspections.*
- Not applicable. *Project has no required tests or special inspections.*

**Required test and inspection reports shall be prepared and submitted to OSHPD/FDD within \_\_\_\_ days of the completion of all tests and inspections. If not designated, all reports shall be submitted to the Office within 15 calendar days.**

In addition to the preprinted tests and special inspections identified on this form, this program includes additional tests and special inspections as indicated:

- Other Tests
- Other Special Inspections
- See Attachment

**Verification that approved test and inspection agencies are objective, competent and independent as required by the CBC 2013 Section 1703A.1.1:**

- Verification of independence and acceptance of test and inspection agencies by Registered Design Professional (RDP) in responsible charge in accordance with the CAC Section 7-141.
- Testing agency qualification for approval or approval of testing agencies through OPL program.
- Inspection agency qualification for approval.

**This program has been prepared and submitted for an OSHPD 1 project. OSHPD 1 projects include all construction and remodel projects for general acute care hospitals and acute psychiatric hospitals. OSHPD 1 projects also include construction and remodel of skilled nursing facilities and/or intermediate care facilities except those of single-story, Type V, wood or light steel-frame construction.**
