

# UC Irvine/ UC Davis Train New Trainers (TNT) Primary Care Psychiatry (PCP) Fellowship

## **RECRUITING NOW FOR JANUARY 2019**

The TNT PCP Fellowship is a year-long clinical education program for primary care-oriented trainees and providers who wish to receive advanced training in primary care psychiatry.

### **Who Benefits?**

The program is designed for primary care providers working in Internal medicine, Family medicine, Emergency medicine, or Neurology. Past fellows have included MD, DOs, PAs, NPs, and clinical pharmacists.

### **Curriculum**

The curriculum includes over 50 hours of training and will lead to a certificate of completion from the UC Irvine Department of Psychiatry and Human Behavior:

- Two weekend teaching sessions (24-28 CME hours)
- One hour per month of individualized, in-person or teleconferenced mentoring sessions with a TNT fellowship faculty member/mentor (12 hours)
- Twice-per-month, live case-based discussions and patient interview with a focus on integrated primary care psychiatry--held on Mondays at either 12:00 or 5:15 pm (PST) via teleconference (20 CME hours)

### **Goals of TNT PCP Fellowship**

Trainees will learn:

- How to complete an evidence-based & efficient psychiatric interview in the busy primary care/medical setting
- How to effectively diagnose and treat commonly encountered psychiatric conditions such as mood, anxiety, psychotic, and substance misuse disorders
- How to teach these principles to their primary care colleagues

*This is not a traditional or Accreditation Council for Graduate Medical Education (ACGME) approved fellowship*

### **2019 Tuition**

- \$15,500 per fellow OR applicants may be eligible for a full scholarship: upon acceptance to the TNT Program, a scholarship application will be sent with instructions for completion and submission for consideration by the California Office of Statewide Health Planning and Development (OSHPD).

### **OSHPD Scholarship**

**Scholarships are awarded through a competitive process, with limited funding.**

**Deadline to apply for scholarship is December 3, 2018 at 11:00 PM PST.**

***Your application must be submitted to the TNT program by November 26, 2018 for review. Upon approval, you will receive the link for the OSHPD scholarship application.***

You must meet the minimum requirements to be considered:

- Be currently employed or have accepted employment as a primary care physician (family medicine, internal medicine, OB/GYN, or pediatrics) or emergency physician
- Work at a qualifying practice site in a Federally Qualified Health Center/lookalike, Health Professional Shortage Area – Primary Care (HPSA-PC) or Primary Care Shortage Area (PCSA) in California
- Work at a practice site with at least 50 percent of patients from a medically underserved population (Medi-Cal, uninsured, or beneficiaries of another publicly funded program that serves patients who earn less than 250 percent of the federal poverty level)
