

## Preliminary 2018 SB 499 Hospitals' Reports Summary

This preliminary summary is based on data reported by the hospitals to OSHPD as required by the SB 499 reports due on November 1, 2018. The information and data used to generate this summary are subject to change without notice.

Compliance Timeline	Number of Hospitals	Number of SPC-1 Buildings
By January 1, 2019	11	22
Between January 1, 2019 to June 30, 2019	19	56
Between July 1, 2019 to January 1, 2020	37	87
Beyond January 1, 2020	1	2*

- The compliance timeline for SPC-1 buildings is self-reported by the hospitals and does not automatically make a hospital eligible for an extension to the compliance date reported.
- To be eligible for an extension, a hospital must meet the initial eligibility criteria and maintain its eligibility by complying with subsequent milestones and requirements.

\* One building has an extension until 10/2022 as permitted by AB 908 (2017).
